

V5HD Can and Bottle Baler

Quick, efficient and easy-to-use, the V5HD neatly bales aluminium cans and PET bottles for easy recycling.

Recommended for restaurants, pubs, bars, specialist recyclers.

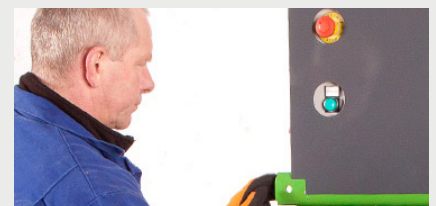

FEATURES

Drop-down fill door and 35-second cycle time

Integrated kicker for easy bale removal, bales tied with two rolls of string and heavy duty door clamp

Low-voltage user controls, emergency stop for added safety, automatic and manual cycle options
